Venue, reservations, hours, seating

1. What is your venue like?

We are located just outside of the small village of Morrisburg, Ontario. Turn east off of highway 31 just north of the 401 and you will see our sign with our parking lot just past the sign. There is a small tasting room with a surrounding patio, a large event hall/winery and a guest house (available on Airbnb) right across from the tasting room. Surrounding these buildings are spacious grounds with very flexible seating options.

2. Do we need reservations to visit?

We do not require reservations unless your group is 8 people or more. If you have a large group, we ask that you contact us ahead of time by email at tours.rentals.stonecropacres@outlook.com

3. Do you offer organized tours?

Starting summer of 2022 we do offer organized private group tastings led by our winemaker/sommelier Dr Norene Hyatt-Gervais. These take place in our intimate tasting room on the grounds and we can accommodate up to 20 people per session. Although not a tour exactly, Norene will take you through a fun and interactive tasting experience and also take you through the wine making process and answer any questions throughout the session. The tasting sessions includes 6 tastings curated by Norene, and a pairing plate consisting of cheeses/meats/fruits and other fun things. Each sessions lasts approximately 1 1 /2 hrs. More detailed information on these sessions and how to book them can be found by clicking on the “Private group tasting booking”

4. What are your hours?

Beginning June 23, 2022 our hours will be Thurs/Fri 2-9 and Sat/Sun 11-6. In July and August we will add Wednesdays from noon-6pm.

We are generally open for these hours until the end of September and sometimes into October depending on weather and our harvest requirements.

5. What is seating like?

There is a video available on our facebook page that offers a tour of our seating options for this summer.

We offer an eclectic range of seating options including: wine barrel tables with pub height stools that can seat 4 people per table, bistro tables for 2 people, picnic tables for family style seating, some patio-style tables for groups of 4-6 people, wooden “harvest style” picnic tables that can seat 8-10 people. Most seating is outdoors either on the patio or on our lawn but there are a few limited indoor or sheltered options if weather is inclement. We also have about 10 Adirondack style chairs that usually have a small table with them to put food and drinks on.

6. Are you accessible?

We are accessible with barrier free entry to our grounds, our patios, and our hall and tasting room. There are some gravelled walks and lawn that will be a bit rougher to negotiate but with assistance a person using a wheelchair or walker or a baby in a stroller can easily get around. We do offer on large accessible washroom as well as three other small washroom stalls.
