

If you have a concert ticket you can book a dinner on our sunset patio before a concert!

Seating on the Sunset Patio at the back of our Event Hall is available approx. 2 hours before a concert begins. Food service finishes 30 minutes before concert starts.

You can select your spot to put your chairs out before other ticketholders arrive.

Our wood fired pizzas will be available – we select as many locally sourced ingredients as possible including our cheeses, our herbs (grown on site in our raised beds on the patio), and our pizza crusts! Cooked in our Wood Fired Pizza Ovens, you can choose from one of our several artisanal personal pizzas.

At different times we will feature special items such as dessert pizzas.

Use this link to reserve a seat: <https://scareservations.skedda.com/booking>

Reservations are booked in groups of 2 people for a minimum of 90 minutes - book multiple groups of 2 if your group is larger. Choose the date of the concert you wish to reserve using the dropdown menu at the top - then follow instructions to book. Select a time spot that is blank. If the first page is full, click on the arrows at the top right for more groups of 2 that may still be available.
