

If you have a concert ticket you can book a dinner on our sunset patio before a concert!

Seating on the Sunset Patio at the back of our event hall is from 5pm until the concert begins. Food service finishes at 6:30.

You can select your spot on the concert lawn to put your chairs out before other ticketholders arrive.

Our full patio menu will be available – we select as many locally sourced ingredients as possible including our cheeses, our nachos, our salsas, our herbs (grown on site in our raised beds on the patio), and our pizza crusts!

Cooked in our Wood Fired Pizza Ovens, you can choose from one of our several artisanal personal pizzas, our nachos/cheese/salsa plates, or our cheese or charcuterie slates.

At different times we will feature special items such as dessert pizzas with strawberry/rhubarb and a cream cheese drizzle.

Reservations are booked in groups of 2 people - book multiple groups of 2 if your group is larger. Choose the date of the concert you wish to reserve using the dropdown menu at the top - then follow instructions to book. Click on the arrows at the top right if the first page of spaces are filled - there are groups of 2 available beyond the first page of the reservation system.
